# CrècheCare

## What is CrècheCare?

CrècheCare provides affordable, accessible and high quality childcare when and where you need it.

All staff are DBS checked and all our crèches are led by qualified staff.

We're here to cater for your flexible childcare needs, including:

- Holiday or sickness cover
- Maternity cover
- Meetings
- Parent/carer courses
- Group work

Our staff are experienced working in crèches, children's centres, nurseries and schools. They are there to support children's development, learning through play and social interactions. We pride ourselves on providing a warm, secure and enabling environment for children in our care so they can have fun, feel safe, secure and happy with us.

Please contact Gaynor O'Sullivan or Michelle Andrews  
for prices and bookings
